

Zeal According to Knowledge

School of Ministry

2021- 2023 Session

.....Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For I bear them record that they have a zeal of God, but not according to knowledge. For they being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God. **Romans 10:2-3**

PathWay(s) Ministry Training Development

The PathWay(s) Ministry Training Development is channeled toward Christian education and preparing believers of Jesus Christ who understand the call to service and the willingness to prepare. The Bible clearly admonishes the church to *"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth (2 Timothy 2:15)."* The Message (MSG) paraphrases 2 Timothy 2:14-17, *"Repeat these basic essentials over and over to God's people. Warn them before God against pious nitpicking, which chips away at the faith. It just wears everyone out. Concentrate on doing your best for God, work you won't be ashamed of, laying out the truth plain and simple. Stay clear of pious talk that is only talk. Words are not mere words, you know. If they're not backed by a godly life, they accumulate as poison in the soul..."* It is of utmost importance that God's word is echoed in the hearts of students while making application in their everyday responsibilities.

The perspective PathWay(s) focuses on the essence of fulfilling "The Great Commission" found in Matthew 28:16-20. This command from Jesus is significant because it is a personal instruction for Christians to have a profound faith in Jesus Christ and to seek out others to do likewise. As learners follow the path(s) set before them biblically, may the Word of God as their compass, pilot their way. May this be the beginning of a journey abounding with pursuing studies of being spiritually healthy.

PathWay I – This path is the genesis of Bible training. It prepares the student to understand the various approaches to the knowledge of God in the Word as assembled, explained and demonstrated. The tools needed for effective Bible study and proper interpretation will also be outlined. This is the groundwork of comprehending the work of the Holy Spirit and His active role of illuminating the revelatory Word of God in the identification of spiritual gifts.

PathWay II – This path gives a descriptive history of the birth of the church and the ushering in of the return of Christ. Students will grasp the role and responsibility of being a servant leader of God and discuss biblical ethics based on issues from the perspective of God's will for mankind.

PathWay III – This path allows the student to concentrate on the methodology of doing ministry with excellence and holiness. The students will examine problem solving, bringing about positive change and interacting with others in their place of accountability and service. This directive becomes personal as the student examines his/her motives, lifestyles, and how to share the Gospel of Jesus Christ to the world.

PathWay IV – This path culminates and bridges together the "then and now." As each student prayerfully answers the call to their specific place of ministry, they must understand the importance of vocalizing their thoughts. As servant leaders, they will be shown how to have a purposeful prayer life that will empowered the leader to push through in a spirit of intercessory prayer needed in ministry. We conclude knowing how to defend the faith against critics and stand firm without reservation or fear.

Welcome Letter to School Participants

Greetings Students:

.....For the Lord Is Good! Pastor Haynes welcomes the sixth class (2021-2023) to the upcoming session of Salem's "Zeal According to Knowledge" School of Ministry. The School of Ministry had its first historical Salem church commencement for a graduating class on May 18, 2013. To God be the Glory! The goal of the School of Ministry is to provide each participant the opportunity to develop their spiritual gifts through biblical instruction and practical training. We are committed to equipping Christian leaders who have the attitude of a humble servant as our model Jesus Christ said in Matt 20:28, "...The Son of Man did not come to be served, but to serve..." Great leaders live to serve others.

The School of Ministry's mission is to build into your life a solid biblical foundation that will fulfill God's purpose. It is imperative for you during this period of study to seek the Lord in prayer as He fine tunes your spiritual gifts and settles you in the proper place of service. We consider it an awesome privilege to cultivate your God-given abilities in preparation to be effective and serve with excellence in ministry.

The School of Ministry is dedicated to the success of each student, and encourages you to take advantage of every opportunity to serve in different areas of missions at Salem or your specific home church. These opportunities of service will affirm and help direct you to the area where God is calling you.

It is with excitement that we look forward to times of sharing and growing together. Orientation for all students is Thursday, August 19, 2021 at 7:00 pm. via Zoom. Classes are expected to start Thursday, August 26, 2021 at 7:00 pm. The weekly classes will be held via Zoom and the facilitators will e-mail the students the necessary information to get on-line.

Salem Church takes seriously the charge of educating Christian laborers for this mighty end-time harvest and we count it an honor to help prepare you to be true to God's path for your life.

Letter from the Pastor

Welcome to the Salem Missionary Baptist Church, School of Ministry. I applaud your willingness to commit to eighteen months of intense study to learn more about God, His will, and His way.

The School of Ministry team, led by Rev. Georgina Washington have worked diligently to outline a curriculum that will assuredly start you well on your way through this life time journey to “*Study to shew thyself approved* unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth” 2 Tim.2:15.

The School of Ministry was birthed out of an earnest desire that I had, and continue to have, to provide structured training for those called to serve in the Kingdom of God. Whether it be preaching, teaching, missions, or one of the many other assignments mentioned in the Word of God, we must discipline ourselves to learn God’s way of doing whatever we’re called by Him to do. Moreover, there is no shortcut to growing in the knowledge of the Lord. We must study!

The next two years offer opportunities to hear and absorb instruction from well-equipped teachers and preachers on topics like: The Mind of Christ, Resolving Conflict, The Holy Spirit, and Servant Leadership, just to name a few. There is a lot of helpful information woven into the fabric of this two year investment. I believe your returns will be immeasurable.

In closing, I’d like to thank each of you for participating in this valuable training experience. I’m so glad that you’re here!

Serving In His Name,

Rev. Dr. Richard B. Haynes,
Senior Pastor

DIRECTOR, SCHOOL OF MINISTRY: REVEREND GEORGINA WASHINGTON

Reverend Georgina Washington was born in Washington, D.C., to the deceased parents, Nathaniel Wiley and Margaret Marable Wiley. At an early age, she accepted Jesus Christ as her personal Lord and Savior and was baptized while attending Little Ark Baptist Church under the leadership of the late Reverend Thomas J. Peyton. Reverend Washington and her family relocated to Raleigh, North Carolina in August 1988, at which point she had already begun evangelizing as the Lord gave her opportunity and instruction to do so. She united with St. Matthew's Baptist Church in September 1988 under the leadership of Reverend Dr. Ronald E. Avery. It was there

that Rev. Washington accepted her call into the Gospel Ministry and delivered her initial sermon on February 16, 1992. It has been God's agenda that she seeks to fulfill.

In October 1994, Reverend Washington joined Salem Missionary Baptist under the leadership of the Reverend Dr. Richard B. Haynes. Under the awesome leadership of Pastor Haynes, Reverend Washington received the impartation of wisdom to serve with humility. She served on staff as Pastoral Care Coordinator for Senior Ministry for over 10 years. Reverend Washington has served as Women's Ministry Leader for 8 years. On a monthly basis, she ministered at the women's shelter, My Sister's House, in downtown Atlanta. She serves with the Deacons' Wives Ministry, Mission Ministry, and is the Assistant Director of Christian Education. Reverend Washington was ordained to the Gospel Ministry in May of 2006. She received her Bachelor of Religion from Luther Rice University in Lithonia, Georgia, in 2008 and her Masters of Divinity from Luther Rice University in 2011.

Reverend Washington and her husband of 44 years, Deacon Douglas M. Washington, have three wonderful children, her oldest jewel, Natasha, (twins) Nathaniel (Adriana) and Minister Nakeyia, and four "Grand" granddaughters, Genesis, Gianna, Kyra, and Chanel.

Reverend Washington was humbled at the opportunity of implementing "The PathWay Ministry Training Curriculum." These four (4) PathWay(s) are directives that promote spiritual growth through sound biblical teaching. As each student responds to the call of service, it is a call to preparation. Reverend Washington's commitment to ministry echoes Luke 22:42... "nevertheless, not my will, but Yours, be done."

MISSION STATEMENT

The mission of *Zeal According to Knowledge School of Ministry* is to plant seeds of knowledge through the study of God's Word into the hearts of students who have faithfully answered the call to serve the body of Christ. With great patience and careful instruction by the aid of the Holy Spirit (II Tim. 4:2), the School of Ministry disciples, instructs, corrects, and encourages.

DOCTRINAL BELIEF OF THE SCHOOL OF MINISTRY

Zeal According to Knowledge School of Ministry believes that the Bible is the infallible, inerrant, immutable, authoritative Word of God. We strive, therefore, to teach and exhort the Bible as God's Word and as the trustworthy rule for belief and behavior (II Timothy 3:16-4:2). The School of Ministry declares that the Bible is divine revelation and the basis of absolute truth and can be trusted by those who choose to believe.

Converting-Transforming-Maturing MANDATE

The “Zeal According To Knowledge” School of Ministry is an eighty (80) credit hour training program that takes place over a period of 2 years. This training program is a **non-credited** curriculum. This institution of learning develops future Christian leaders in Biblical instruction. The School of Ministry consists of four (4) PathWay(s). Each PathWay curriculum consists of three classes which will, over a period of 3 or more months, earn the student(s) fifteen (15) to twenty-one (21) credit hours. The PathWay structure allows student(s) to progressively move toward understanding specific aspects of Christian leadership, basic Baptist and Bible doctrine, biblical application, and servanthood. A certificate of completion will be given after each PathWay and the student(s) will be able to move to the next PathWay. After all phases of the PathWay are completed, there will be an informal graduation for all students who have completed the School of Ministry.

Students are responsible for purchasing books required for the different courses and should have them by the beginning of each new class. A list of all required materials will be given prior to class start date. Syllabus, assignments, time of reflection, group projects, etc., are up to the discretion of the class facilitator(s). Classes are subject to change, but students will be notified in a timely manner. Attendance is of absolute importance. The students should adjust their schedules for class and inform the facilitator(s) of any impending absences. The classes will be held on Thursday of each week and other days will be announced in a timely manner. There will be holiday (Thanksgiving/Christmas) breaks during the PathWay session. These dates are noted in the School of Ministry class schedules.

The School of Ministry certificate of completion will only be honored at Salem Church and the churches that desire their membership to be involved. Individuals outside of Salem Church will need to present a letter of approval from their pastor or designated staff person. The School of Ministry does not authorize or approve anyone for a leadership position outside of Salem Church. The certificate of completion is not a license to the preaching ministry but it represents being a good steward for equipping one’s self for the work of the ministry.

Pastor Richard B. Haynes, the School of Ministry Director, the Christian Education Director, and facilitators are available for conference and class concerns that may occur during the school year. Please contact the Director of the school for an appointment with Pastor Haynes. You may contact the facilitator(s) personally with whom you would like to meet. Please allow forty-eight (48) hours to receive a response from the individual(s) with whom you desire to meet. We thank you for considering “Zeal According To Knowledge” School of Ministry to guide you as you follow the “**PathWay**” to understanding God’s will for your life.

PATHWAY CURRICULUM POINT SYSTEM

The PathWay Curriculum Point System has been put in place to ensure that the students are maintaining assignments at an acceptable level. The School of Ministry does not have a grading scale which allows the students to work at their acceptable level of learning. The Point System encourages accountability as the students strive to complete the Four PathWays. Much grace is extended to all the students and the facilitators, as well as, the Director, of the School of Ministry is available to assist in anyway possible to help further their understanding in a particular subject. Each student must have all five (5) points completed in each class to advance to the next PathWay. Note: All classes may not require all five (5) points but students are expected to adhere to those points that are exercised. There are exceptions which must be approved by facilitator and Director.

POINT 1

All students must have the necessary book or books at the beginning of each new class.

POINT 2

At the beginning of some classes, there will be a “time of reflection” which details a brief overview of material read for that particular week. Each student will need to have completed all assignments that are given within a particular class.

POINT 3

Attendance is very important. Each student is asked to make a sacrifice and investment in their learning experience. There are exceptions and they will be considered.

POINT 4

Class projects are to be completed as assigned by the facilitator. Each student is expected to fulfill their assignment responsibility.

POINT 5

Class participation. Each student is expected to be an active part of the class conversation but not overbearing. Staying true to the topic and not offending others with our opinions on a particular topic.
